3D PRINTER SUBMITTAL FORM

STORRS FABRICATION LAB

Student

Name/800#: _____

Email: _____

Folder/File Name : _____

Date submitted: _____

Instructor/Course: _____
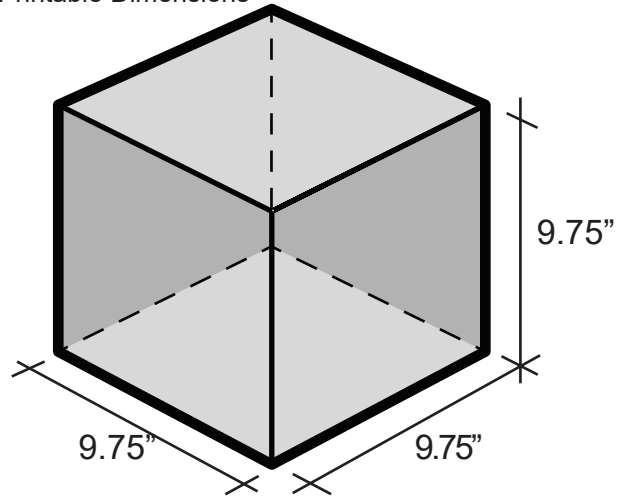

PLA Color
- ☐ Red ☐ Blue ☐ Grey
- ☐ Yellow ☐ Purple ☐ Clear
- ☐ Orange ☐ White ☐ Other : Please Specify
- ☐ Green ☐ Black

When do you need it? _____

Fast and cheap ☐ Slow and pretty ☐

KEEP IN MIND

If you're printing a simple geometry or series of simple things please provide a justification for why it needs to be 3-D Printed.

Printable Dimensions

9.75" 9.75" 9.75"

_____
_____
_____

Tips for ALL 3D Printing Projects

- Try to avoid printing basic cubes and simple massing prints
- The printers have a harder time keeping really thin prints clean [anything smaller than 1/16"]
- Make sure after you've modeled your print you change the UNITS to mm before bringing it to the assistant

Approval Lab Assistant

LA Name: _____

Date approved: _____

Estimated time: _____

PLA in grams: _____

Price (g x 0.10) _____

Default Settings

Quality	Raft	Support	Layer Height	Infill	Notes
Normal	Yes 1 lyr	Touching Buildplate	.2mm	5-10%
